

Dear Bishoprics and Primary Presidencies:

June 6, 2021

We have received **UPDATED GUIDELINES** for performing the baptism ordinance at the Farmington Utah Farmington Bay Stake Center. We appreciate your patience and understanding throughout this past year.

- There is **no longer a limit** to the number of individuals that may attend the baptism service.
- **Wearing a mask is optional**, we will continue to have masks and hand sanitizer available at the entrance of the building.
- Until further notice additional family and friends may continue to view the baptism remotely, through streaming. As a reminder, family and friends are **not to record or take pictures** of any part of the service.
- A baptismal service should be simple, brief, and spiritually uplifting. **Please plan your baptism service to be no more than 40-45 minutes**. The focus should be on the baptism and confirmation ordinance.

We look forward to witnessing these spiritual experiences for the children of our Stake who have decided to be baptized.

The Farmington Utah West Stake Primary Presidency
